

Financial Options

Orthodontic treatment is an excellent investment in the overall dental, medical and psychological well being of children and adults. Financial considerations should not be an obstacle to obtaining this important health service. We are sensitive to the fact that people have different needs in fulfilling their financial obligations; therefore, we are providing the following payment options.

Patient Name _____ Date _____

Diagnosis and records fee \$ _____

Investment for Orthodontic treatment \$ _____

Retention fee \$ _____

Total Investment \$ _____

Less Estimated insurance * \$ _____

Patient responsibility for orthodontic treatment \$ _____

*If for any reason the estimated amount is not paid by your insurance company, it becomes your obligation.

Treatment times differ from patient to patient. These payment options do not correspond to the estimated treatment time, but are merely provided for your convenience.
